The Honorable Kay Granger
Ranking Member
Committee on Appropriations
H-307 The Capitol
Washington, DC 20515

Dear Chairwoman DeLauro and Ranking Member Granger:

I am requesting funding for The City of Peachtree Corners' Curiosity Lab Mobility Hub in fiscal year 2022. The project sponsor is the City of Peachtree Corners located at 310 Technology Parkway, Peachtree Corners, GA 30092.

Funding would be used for site work, furniture and furnishings, and solar installations to facilitate the development of the Curiosity Lab Mobility Hub and advance the next level of innovation for transportation infrastructure and planning. The project is an appropriate use of taxpayer dollars and the Curiosity Lab Mobility Hub is anticipated to have the following benefits:

1. Providing docking and refueling stations for solar, electric powered, and other alternative energy vehicles and accommodate mass transportation while integrating bicycle and pedestrian access and circulation.
2. Offering cost effective last mile connectivity to low-income individuals who ride public transit at a higher rate than others.
3. Advancing Peachtree Corners economic development efforts by attracting companies that are working in the mobility and smart city markets, and further establishing the City as a leader in the smart city space.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,
