The Honorable Kay Granger
Ranking Member
Committee on Appropriations
H-307, United States Capitol

Dear Chairwoman DeLauro and Ranking Member Granger:

I am requesting funding for View Point Health for a full continuum crisis walk-in center in fiscal year 2023. The project sponsor is View Point Health located at 175 Gwinnett Dr, Lawrenceville, GA 30046.

Funding for this program would be used for remodeling, furniture, and equipment for the Crisis Walk-in Center. The project is an appropriate use of taxpayer dollars and is anticipated to have the following benefits:

1. Design changes to the Crisis Walk-in Center to provide a safe and comforting environment for patients and families during crises
2. Integration with local crisis stabilization units and law enforcement to provide a single location for mental health services and crisis interventions in Gwinnett County

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in cursive script that reads "Carolyn Bourdeaux".
